

When Filling Out a Batting Order

- Must be legible.
- Fill out date, time and field played on.
- Include your team name and your opponent's team name.
- Must include the name of the player from official roster. Not a nickname.
- Must include player's number. Same number for each game would be preferred.
- If you pick up player from another team, please include that team's name in brackets.
- **Sign bottom of batting order.** You are the person taking responsibility that all players are insured to play in our league.

In future, should batting orders not be filled out properly, a warning will first be given to the team to correct the issue but, should it continue the team will receive a fine of \$25.00.
